**Объемный, яркий шар для
создания праздничного
антуража на любое праздничное
мероприятие через тему:
вписанный треугольник в
окружность**

Цели :

- научиться вписывать треугольник в окружность.
- научиться работать с бумагой в технике оригами.

The background features a collection of colorful geometric drawing tools and numbers. A green pencil with blue eraser and sharpener is positioned diagonally. A yellow set square is placed horizontally. A purple compass is also visible. Scattered around are various numbers in different colors: orange '6', purple '2', pink 'x', yellow '3', purple '8', and green '4'.
